

HORSFORTH 10K

This year raising funds for our nominated charity

More than a quarter of a million people in the UK have problems with speaking, reading, writing or understanding language. This communication disability is caused by damage to the language centres of the brain. It can come as the result of a stroke, head injury, brain tumour or other neurological illness. It should be noted that intellect is rarely affected.

Supported by

with additional support from

SUNDAY 26TH SEPTEMBER 2010

STARTING AT 10.00 am from Woodhouse Grove School, Apperley Bridge, Bradford.
