We have a professional photographer joining us at the event. By participating in the 10k Road Race or fun run you are giving Wakefield Hospice your consent to use your photograph for marketing, publicity and any future advertising of the event.

Your details will be held by Wakefield Hospice Fundraising in accordance with the Data Protection Act 1998. Your data will enable us to keep you supplied with details regarding our services and forthcoming events/initiatives. To opt out of this service please contact 01924 213900. Your entry to the event includes agreement that your name, gender and age category be included in the published results.

An electronic chip is being used to produce finish places and times for all entrants. We consider this is the most accurate and fastest way to produce results for the event. Please note that the responsibility for correctly carrying the "chip" is yours and you must follow the instructions provided. Failure to follow instructions regarding the carrying of the electronic chip may affect the accuracy of your result or even mean that you may not appear in the results at all. In the unlikely event of a system failure, we shall endeavour to do all we can to produce results using alternative recording systems. However, in the highly unlikely event that we are unable to process times and finishing positions, results will not be published. Your entry to the event is deemed acceptance of this condition. No refunds will be offered.

Thank you for running Wakefield, For Wakefield.
