

Roberttown Road Runners

Club Information Booklet (Revised Aug 2026)

Introduction

Roberttown Road Runners was established by three members in 1992 based at Liversedge Cricket Club. It developed, moved to the Community Centre, and is affiliated to England UK Athletics. Two of those founders remain as active members today.

Members participate in road running events throughout the year, which often includes an annual trip to an overseas race for those wishing to participate. We are also registered for Cross Country events.

This booklet is designed to be a useful guide, for new and established members, to the Club's activities, administration, and rules.

RRR has built up an enviable reputation over the years as a small, friendly, and welcoming club. We make every effort to make new runners welcome and offer support whether you are

training for a marathon or simply beginning running and only want to 'make it round the block'.

We hope that membership of the club is enjoyable and if you have any ideas to improve your club then please pass them on to the Committee.

We hope that you enjoy your running with us and thank you for joining our club.

Club Nights and Training

We meet at Roberttown Community Centre on Wednesday nights at 6.15pm.

There is a beginner's group and an advanced group for more experienced runners. All abilities are catered for with several coaching members available covering a variety of distances and speeds.

New members can come along at any time without immediate obligation to become a member. However, membership is encouraged after 3 or 4 visits

We use the England Athletics Runtogether website/app to allow our members to book onto the weekly club runs. Members need to register on the [Runtogether.co.uk](https://www.runtogether.co.uk) website first and can then book onto the weekly runs using the links communicated via email and the members Facebook group.

Further information can be found at:

During the summer months the club facilitates occasional speed and hill training sessions, at nearby locations. However, throughout winter no training sessions are held.

Liversedge Half Marathon + Roberttown 10K

Race now established in the Racing Calendar for early March. In 2025 the Club are introducing a 10K event.

We request that Club members fully support the organisational needs of the race in every way and help with race duties at the race each year, where possible.

It is Club policy that any members wanting to run in the race do so on the understanding that they must obtain two replacement marshals to perform their race duties.

Summer and Christmas Handicap Races

These are our annual club races for members only. The distance and route are subject to change and communicated to members prior to the races. All members start at the same time

with prizes awarded to the male and female runner who achieves the best score against the handicap system.

Club Place at the London Marathon

As an affiliated member of UK Athletics, the club automatically get a place at the London marathon for one club member. As such the club hold a ballot around October time each year for this place, and the criteria for the London Marathon club place ballot are that members:

- b) Must not have run in the London Marathon within the last 10 years.
- c) Must have entered the London Marathon ballot that year and been rejected.
- d) Must be a fully paid-up 1st claim member and into, at a minimum, their third year of club membership.

A member's name shall be entered into the ballot the same number of times that member has previously been in the club ballot and failed to win the London Marathon place.
